DAIMLER METRIS PASSENGER VAN (MMPV2G) SPECIFICATION #101

2019 Daimler Metris Passenger Van (MMPV2G)

The Daimler Metris Passenger Van (MMPV2G) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and NCSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Appalachia	★Dogwood	★Cardinal	★Longleaf Pine
BASE PRICE:	\$30,079.00	\$30,079.00	\$30,079.00	\$30,079.00

While the North Carolina Sheriffs' Association has attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Z5U ¹	INCOMPLETE VEHICLE (4TH SEAT RAIL)- NOTE: IF YOU ARE LOOKING FOR AN INCOMPLETE VEHICLE, PLEASE REFER TO CODE Z5U WHICH WILL COME INCOMPLETE WITH 4 RAILS IN THE REAR AND NO SEATS. AN APPROVED UPFITTER WILL HAVE TO INSTALL SEATS AND COMPLETE THE VAN IN ORDER FOR IT TO BE COMPLETE. The seat rail system with quick-locking has four seat rails instead of three as factory standard. The vehicle is classified as an incomplete vehicle with "incomplete vehicle documents" (IVD's) and needs to be completed with seats by a body builder. This van has no rear seat. This vehicle has the remaining components of the passenger vans (including rear air bags).	\$1,079.00 ¹
